

Flimsie

Dispatched from *Allied Model Trains*, Culver City, California

July 7, 2015

It's with great sadness we send this message to our friends, customers and vendors.

As of today July 07, 2015, we are closed. Due to circumstances beyond our control, the stockholders had to close and declare insolvency.

We had sixty-nine wonderful years and we are sorry the journey has to end.

All of us at Allied Model Trains, Nick, Fred, George, Karie, Sam, and Dave thank you for all the years of support.
