

# APPLICATION FOR OVERNIGHT STAY PRIOR TO SANCTIONED MUSEUM SWAP MEET

Orange Empire Railway Museum (the "Museum") is scheduled to conduct a Swap Meet on Saturday September 8, 2012 on the Museum grounds located at 2201 South "A" Street, Perris, California. I intend to participate but due to special circumstances affecting my ability to participate, I request permission to set up my space and remain on the property overnight on Friday, September 7, 2012. I understand this request must be submitted [prior to September 1, 2012](#) to be considered together with the reasons for my request.

1. I agree that I will not begin setting up my sales/display area until after noon on Friday, September 7, 2012.
2. I agree that my vehicle(s) will be removed from all Museum streets and secured in the designated parking area as instructed prior to 7:00 AM on Saturday, September 8, 2012.
3. I further agree that only members of the Museum will be authorized to stay overnight, including anyone traveling with me and staying as part of my group.
4. Designated rest room facilities will be available to me during this visit, however, I agree to remain in the area north of the south side of the loop, south of the Grizzly Flats facility and west of the Broadway Street (i.e. the asphalt paved street containing the narrow gauge streetcar track access to the Los Angeles Railway car barn #1). I must remove prior to 7:00 AM on Saturday September 8, 2012 any sleeping equipment or paraphernalia (such as tents or campers), and to store these items in my vehicle in an area designated for vehicle parking.
5. I accept the condition Museum is not responsible for any injury to me, or damage or loss of any of my personal property at anytime during my stay on the museum property. I agree to indemnify and hold Museum harmless from any and all claims, causes of action, enforcement proceedings or liability of any kind or nature arising out of or related to my stay on the property.
6. The information required below is a condition of any permission granted by Museum to stay on the property as outlined in this application.
7. A copy of the signed authorization must be presented upon request of any Museum Officer or Security Representative.
8. I understand any violation of these conditions will result in either being banned from future overnight stays or participation in future Museum events, including, but not limited to, swap meets.
